#### VBS 2010:

I just wanted to have a chance and thank each parent for trusting us with your child during VBS 2010. Thank you for inviting friends from the community. A big thank you goes out to all of our 45 leaders in the Faith Factory's VBS that made this year the smoothest week of VBS I've ever experienced. I had the pleasure of participating with multiple children that trusted in Jesus Christ. I know that we have done a mighty work of telling Jesus' Redemption Story to children of Tuscaloosa. Thank you and praise God.

Jon

There may be no other word in the English language that evokes more dread than the word "cancer". It has become synonymous with suffering, disability, pain, financial hardship, and even death. It's little wonder that cancer is referred to as the **BIG C**. The good news is that we belong to a **BIGGER "C"** and that is Christ. Calvary Baptist Church will participate in a community-wide ministry to support cancer patients and their families in the Big C spiritual warfare. This new ministry will focus on Christ and deliver Christ's hand of encouragement and hope as He uses us to "call back" to our friends in their journey through the Big C.

If you are a cancer patient, survivor or family/friend of someone impacted by cancer and interested in The Bigger "C" Encouragers, please contact Sheela Latham at 292-9652 or email [sheelalatham@yahoo.com](mailto:sheelalatham@yahoo.com).

Sunday, July 11

## A Day of Celebration & Thanksgiving

Sunday, July 11 will be a memorable day for the congregation of Calvary Baptist Church. This will be the **official kickoff for our Centennial Celebration**. Every Calvary member is urged to be in Bible Study and Worship on Sunday morning to begin our Celebration.

A part of Calvary's Centennial is the establishment of the Centennial Fund. The **Centennial Fund** is designed to: (1) – pay off the church debt; (2) Take care of expenses connected with our Centennial Celebration and needed building renovations; (3) 10% of all gifts to go to the Epic Church in San Francisco, a new church start pastored by former Calvary associate, Ben Pilgreen. If you haven't submitted your pledge card/gifts thus far, please do so soon, or bring it with you to worship on Sunday, July 11.

On Sunday evening, we will **gather with the congregation of First Baptist, Tuscaloosa** in their Sanctuary for a combined worship service. FBC, Tuscaloosa is our **mother church**, and this is a wonderful way for us to thank them for their initial investment in Calvary. This service will begin at **6:00 pm in the FBC Sanctuary**, featuring music from the Combined Choirs and Orchestras of Calvary and FBC, plus comments from Pastor Tim Lovett of Calvary and Pastor Gil McKee of First Baptist. **We want to have as many of our members to be present as possible** to express our appreciation to our mother church. There will be a fellowship for everyone following the service in the FBC Fellowship Hall.

"food, families, and fun..."

Each Wednesday Night in July

Wednesday night suppers will take on a different look during the month of July. Everyone is invited to join in the fun: families of all sizes (that includes singles!) and all age groups. Serving lines open at 5:00, and there will be a featured children's menu each night. After a short time of devotion and prayer, folks around each table will follow a discussion guide covering interesting topics. **AND, there will be games at each table.** A prayer guide will be provided, as well.

This will be a great opportunity to get to know your fellow church members, some you may think you know and others with whom you haven't yet had an opportunity to spend time. It'll be fun for everyone.

Join us!

It all begins on Wednesday, July 7, and continues through the whole month.
